Celeterem seruant sidera pacem
Non sol rutilo concitus igne
Celidum phebes impedit axem
Hec que summo vertice mundi
Flectit rapidos vrsa meatus
Nunc occiduo lota profundo
Cetera cernens sidera mergi
Cupit oceano tingere flammas
Semper vicibus temporis equis
Cesper seras nunciat vmbras
Reuehitq diem lucifer almus
Sic eternos reficit cursus
Alternus amor, sic astrigeris
Bellum discors exulat oris
Hec concordia temperat equis
